Yearbook Sponsors Wanted!

## 2012-2013 YEARBOOK

### A great way to advertise your business!

Each year, in June, we publish a yearbook with pictures of students, staff, classes, and major school events of the year. It is a great keepsake and record of your child's school years. The book includes preschool and all grades K-8 with a special emphasis on the graduating class. Orders for the books will be taken in April. The cost will be determined based on numbers of sponsors we obtain.

With the help of your sponsorship and/or business cards, the cost will be lower for everyone.

*Thank you for your business cards each year!*
