

St. Martin of Tours Academy

Computer Lab

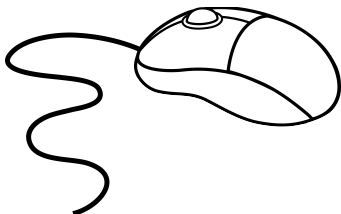

Computer curriculum varies by grade, and students learn a variety of applications. Students in each grade demonstrate skills learned in previous grades, and continue to develop their skills in technology.

Applications

- Microsoft Word
 - 2nd & up
- Microsoft PowerPoint
 - 4th & up
- Microsoft Excel
 - 6th & up
- Digital Painting & Drawing
 - 1st & up
- Garageband
 - 5th & up
- iMovie
 - 5th & up
- iPhoto
 - 3rd & up
- iWeb
 - 8th

Younger grades also use educational software and web sites to reinforce the classroom curriculum

Individual grades are based on participation, behavior, and projects.
